COVID-19 Self-Screening checklist (Updated 20-08-21)

Prior to arrival at a training session or match, all players, coaches, parents/carers, match officials and spectators, including those from opposing team, must undertake a Covid-19 Self-Screening check (see below) for any Covid-19 symptoms.

If they have one or more (i.e., answers “YES”) of these symptoms (even if they are mild), they should not to attend, stay at home and follow NHS guidance on testing and self-isolation.

EACH PARTICIPANT SHOULD SELF-SCREEN PRIOR TO ARRIVAL AT A TRAINING SESSION OR MATCH (HOME AND AWAY) TO ENSURE THEY DO NOT HAVE ANY OF THE FOLLOWING SYMPTOMS (PARENT/CARER TO CONFIRM FOR THOSE UNDER AGE 18), AS THESE ARE POTENTIAL INDICATORS OF COVID-19 INFECTION.	Check is “Negative” (indicate below where appropriate)	Check is “Positive” (indicate below where appropriate)
A high temperature (above 37.8°C)		
A new continuous cough		
Shortness of breath		
Sore throat		
Loss of, or change in normal sense of taste or smell		
Feeling generally unwell		
Persistent tiredness		
Been in close contact with/living with a suspected or confirmed case of Covid-19 in the previous two weeks.		
Finally, are you or anyone in your household/bubble self-isolating whilst waiting for a test or test results for Covid-19?		

Please ensure that you complete the COVID-19 Self-Screening check prior to attending a training session or match. If your response is “NEGATIVE” to all of the Symptoms above you can attend and verbally advise the age group coach upon your arrival at venue, otherwise, you need to stay at home and follow NHS Guidance on testing and isolation.

Thank you for your support!
